

Texas Quail Forever Chapters

Request for Funding Application

The objectives of our chapters are to promote the conservation and extension of quail habitat and to support youth programs promoting habitat and wildlife conservation education, hunting ethics and responsible gun safety in Texas. We achieve these goals by collaborating with like-minded organizations through either funding opportunities or providing volunteer workers for projects supporting our objectives. If your organization has a project that supports these objectives, we welcome a proposal from you. To request funding, submit your application to the Chapter President along with a copy to Quail Forever at P.O. Box 42121, Oklahoma City, OK 73123 or by email at Lmciver@quailforever.org. If you have additional questions: for habitat proposals, please call Laura McIver at 907-750-2600 or contact the nearest chapter officer that you may already be working with. Please note for habitat projects that pictures are requested for the beginning, progression and completion of your projects. It is requested for youth grants, that pictures of your events be shared as well.

Is this request for a habitat project or for a youth program?

We are requesting funding in the amount of \$_____ or volunteer support as follows:

Describe in detail the project including schedule, budget, length of time frame, how it benefits quail, habitat and as to whether our donation qualifies for matching funds (use an additional sheet if needed). If this for a youth program, please explain in detail as to it would benefit your youth programs in promoting habitat and wildlife conservation education, hunting ethics and/or responsible gun safety:

What are the expected primary outcomes from this project?

1.

2.

3.

4.

How will your organization report to us the results of your expected outcomes? Pictures before, during and accomplished results are our preferred method of receiving a report.
